Re: Trader Special Maritime Enterprises v. Calder Sea Carrier Corp.,  
07-5809 (AKH)

Dear Judge Hellerstein:

We represent the Plaintiff Trader Special Maritime Enterprises in connection with the above-referenced Rule B maritime attachment action. Per its Endorsed Order of December 27, 2007, the Court granted Plaintiff's application to extend the time to effect service upon Defendant to March 16, 2008 provided Plaintiff took all steps necessary to make service via the Hague Convention by January 31, 2008.

As we advised the Court in our letter of January 22, 2008, the Greek Central Authority received, on January 17, 2007, all documentation it requires to effect service upon Defendant under the Hague Convention. To date, we have not received the Certificate of Service from the Greek Central Authority. As a result, we respectfully request that the Court extend the time to effect service upon the Defendant an additional 60 days. In another matter before Judge Stein, we were advised by the Central Authority that service is usually performed within "1-2 months."

We thank the Court for its attention to this matter.

Respectfully submitted,  
FREEHILL HOGAN & MAHAR, LLP
